**Endnotes:**

- 1) If a student is admitted to a school or college with a program differential and also admitted to the University Honors program, then both the program differential and Honors, differential will be assessed.
- 2) If a student is admitted to more than one school or college with a program differential, the student's primary major code will take precedence, and will determine the differential tuition rate to be assessed.

**Endnotes:**

- 1) If a student is admitted to a school or college with a program differential and also admitted to the University Honors program, then both the program differential and Honors differential will be assessed.
- 2) If a student is admitted to more than one school or college with a program differential, the student's primary major code will take precedence, and will determine the differential tuition rate to be assessed.
